Subject: Fact Sheet

Attachments: Edgewood Medical Volunteers 1955 ver2.doc; Craig.doc

Dee

I've attached the latest version of the Edgewood Fact Sheet. Comments in red are Craig's. Comments in blue are my changes to what Craig wrote. They deal mainly with accuracy.

The second file Craig.doc was an attempt to respond to some comments Craig made. However, after I deleted Table 1 the first three comments became OBE.

Any comments before I send back to Craig
